SUMMARY

I am a Front-end Web Developer based in Mumbai, India pursuing graduation. With 8+ Months of Experience as a Web Developer, I have acquired the skills necessary to build great websites.

EDUCATION

Bachelor of I.T (Information Technology)   Present
Shree Narayana Guru College

PROJECTS

Websites   May 2021 - Aug 2021
I am the only one in the team
I've made a few websites as my own projects

i.e - portfolio website, Netflix clone, To Do List (task manager)
